INTERMEDIATE/NOVICE SPEAKERS PROGRAM – Tom and Alexis Ciconte as the I/N program chairs have organized some entertaining and educational speakers twice a day in the Christina room downstairs from the main lobby. Come down and join in the fun and learning. Scheduled for today are Jeff Roman (returning for a special encore performance) at 12:15 and Larry Cohen at 6:50. Larry's talk will be "The Real Deal." Larry writes a regular column for the ACBL *Bulletin* with the same title, in addition to his work with *The Bridge World*. Each article presents a deal and Larry's thoughts as the bidding and play progress. As instructive and entertaining as the print columns are, his live presentation is sure to be worth cutting your dinner break a little short. Both Larry and Jeff have won countless events so you won't want to miss out on these last two presentations of the Wilmington regional.

TROPHY PAIRS WINNERS – There were three sets of trophy pairs winners on Friday. In the 99'ers, the winners were Betty and Robert Vaughn. Kathy Miller and Heather Bittenbender took the honors in the 199'ers game, and the 299'ers winners were Howard Bender and Ajit Thyagarajan. Congrats to all the winners, and a special thanks to everyone who came and participated in the I/N events. Attendance in these divisions were up around 60% from the previous regional in Wilmington, and the enthusiasm and good cheer of the players was contagious.

BUY YOUR RAFFLE TICKETS FOR PUERTO VALLARTA!! – BridgeAtSchools is selling raffle tickets for a house for a week in Puerto Vallarta and airfare for two. You can buy your tickets at the BAS booth of from the Director, Beth Maloney – Refaie.

A NOTE FROM THE PRIZE PATROL – I have been informed of an addition to the players eligible for prizes who are listed on page 2 under the prizes heading. Pairs who finish 2nd in **A** in their section in games scored across the field are also entitled to a section top prize. This does not apply to lower strats, nor does it apply to single section games.

SUNDAY'S FORMAT – Sunday's two-session team events will be played in seven 7-board matches. Each event will have a one hour break near the midpoint of the event. The hotel will have sandwiches on sale. The food court in the adjacent Concord mall is also available. **Players are reminded that the hotel prohibits bringing food from outside sources for consumption in the playing areas or foyers.**

Leading point winners through Friday evening. Does not include any points from any knockout still in progress.

Let me repeat my lecture on attempting to leave the hotel. First, please do not attempt to cross route 202 on foot. It is extremely dangerous at all hours of the day and night. Second, when driving out of the Hotel parking lot you MUST turn right. Please do not try to cut across all three lanes to make a U-turn at the first opportunity. This will hold up traffic, whether or not you survive. To go southbound on 202, turn right (northbound) stay in the right lane and enter the Concord Mall parking lot. Then turn around in the lot and exit at one of their traffic lights, turning left onto 202 southbound. We want to see you again tomorrow. Finally, please respect our contract with the Doubletree and do not bring any food or beverages into the hotel's playing areas or public spaces.

When you return to the hotel, please park in one of the several hundred spaces behind the hotel, rather than in the Concord mall parking lot.

BOARD DUPLICATION - The Wilmington Regional offers pre-duplicated boards and double dummy solved hand analyses for every pair event. Results and recaps for all events, as well as hand records for all pair events, will be posted on our website at <http://www.unit190.org/Tournaments/2002Regional.html> shortly after the completion of the evening session each day. We are proud to offer the most technologically advanced bridge tournament ever held in North America. Special thanks are in order for co-chair Harold Jordan and tournament director Alan Hodesblatt for their hard work which made all of this possible. Funny, I don't see them duplicating any of the boards (your editor is pulling double duty in the regard).

HOSPITALITY – Marie and Tom Grabowski and the rest of the hospitality committee have arranged for snacks and drinks for everyone to close out each evening. Please join us in the foyer outside the main ballroom every day after the evening session for refreshments. Our hospitality schedule is as follows:

Sat. - make your own sundaes

Hope to see you there! We will also have a hospitality in the Presidential Suite (Room 708) Wednesday through Saturday nights.

PRIZES – Prizes can be found in room 710. Jess and Lois Stuart and their committee members will have the room open beginning on Thursday, 1 hour before both the afternoon and evening sessions. They will also be open for 1 hour at the conclusion of the Swiss teams on Sunday. Prizes are awarded for the highest score each direction in all sections of match point play. There is not a separate prize for A, B and C strata in these sections, just for the top score in the section. There are no prizes for overall event winners, except that knockout and Swiss Team winners for each flight or stratum will be given section top prizes because there are no separate sections. The prizes include a choice of bridge books, golf balls, flashlight, binoculars, purses, glasses cases, photo albums and journals.

NOVICE/INTERMEDIATE - The novice and intermediate program is located in the Brandywine room on the lower level, directly below the main ballroom. Tom and Alexis Cicone have worked closely with I/N director Donna Bowser to create an exciting and rewarding tournament for our Non-Life Masters.

PARTNERSHIPS - Mary Beyer and Dorothy Heldt will be working hard to find everyone an agreeable and compatible partner for whatever sessions they wish to play. Actually they have already been working on this for months, answering phone calls and emails and lining up partnerships and teams. Their partnership desk will be located in the foyer outside the main ballroom and will be open immediately before each afternoon and evening session. Don't be shy!

DINING OUT - Bob Meyer put together an excellent restaurant guide for the area surrounding the Doubletree. Please remember the advice above about leaving the hotel safely. Also, please do not bring any food or drinks into the playing areas or public spaces when you return.

DAILY BULLETINS – Beginning Thursday, we will have a daily bulletin each day. If you missed one or more, they can also be found at the Unit 190 website where the hand records can also be found at <http://www.unit190.org/Tournaments/2002Regional.html>. Featured will be all the winners of the previous day's events, new Life Masters and other tidbits of interest. There will be a box in the director's office for you to leave the names and home towns of new LM's, as well as any other items that would help the poor editor fill his empty space with. (No, not the space between his ears, Dave) Funny stories are especially appreciated, but I will settle for educational happenings from the bridge table. Bonus points for anyone submitting an especially juicy story involving the birthday boy. No, Dave, you may not submit them yourself.

SMOKING POLICY - There is NO SMOKING inside any of the playing rooms or hallways outside of the playing rooms. Please go outside to smoke.

RECORDER - If any incidents arise which require a recorder report, see District 4 recorder Bob Grover.

CONVENTIONS – Mid – chart conventions are permitted in separate Flight A events and in the top bracket of knockout events
